

Meeting Agenda

Date & Time: 13 April 2024, 2:30 PM

Location: NSU Library

Information Updates/Reminders

=====

- This week, we will focus on **unit testing** as part of our project work.

Decisions Needed

=====

- We need to decide a **unit testing tool** that we will use in the project.

General Items

=====

- The tools should support **source code level documentation**.
- Each team member will perform **unit testing on one functionality** of the project.
